

YHDP RFP2 QUESTIONS & ANSWERS
JUNE 7, 2018

1. Is this RFP for one Administrator to serve all CT BOS CANs or one Administrator for each CAN (7 Administrators)?
A: One Administrator to serve the all seven eligible CANs in the CT BOS area.

2. Will there be a RFP webinar?
A: No

3. Does the recommended 18% include the 7% grant admin costs or is that 7% treated separately?
A: Yes, it includes the 7% grant admin costs. Again, the 18% is not a hard cut-off. Applications that exceed the 18% within reason will still be considered.

4. Are the regulations for housing quality standards (HQS) inspections the same as those currently required by the DOH-funded Rapid Re-housing program?
A: Yes. In accordance with 24 CFR 578.75(b) housing for which rental assistance payments (including security deposits) are made with YHDP funds must meet the applicable housing quality standards under 24 CFR 982.401.
